### Come and hear expert advice on business opportunities in Egypt and Libya

UK Trade & Investment (UKTI) directors and partners from Egypt and Libya will be visiting the UK from 24-26 September to meet British companies wanting to understand the opportunities and business potential in these developing markets.

Following the recent elections in both countries, these events will provide a timely overview of the current situation and how to build relationships and make the most of the opportunities offered.

- Monday 24 September 2012 - Manchester
- Tuesday 25 September 2012 - Birmingham
